

UNIQUE IS THIS DAZZLING EYE-STOPPER, a Christmas tree made entirely of tin from ordinary tin cans, which is perched atop the Church street entrance to Harrisburg Junior high school. This tree, made by art students under the supervision of Mrs. H. B. Bauman, art supervisor, sparkles on a sunny day and is a thing of unexpected beauty when spotlighted at night time. The students brought tin cans to school and cut out Christmas designs, which were fastened to a spiral of galvanized wire. There are hundreds of these metal designs attached to 200 feet of wire. This is the third year that Mrs. Bauman's students have made an impressive tin can tree. (Register Staff Photo)

Eisenhower Clears Away Work Before Arrival Sunday of Nehru

WASHINGTON (AP) — President Eisenhower today called in more than a dozen top advisers to clear away work before the visit of Indian Prime Minister Jawaharlal Nehru.

Nehru will arrive Sunday at noon from London aboard the President's plane, the Columbine III, for a four-day visit. Vice President Richard M. Nixon will meet him at National Airport and escort him immediately to the White House for the beginning of vitally important talks certain to affect future U. S. relations with Asia.

The President was at his desk this morning shortly after breakfast for one of his busiest Saturdays in months.

He called in Budget Director Percival Brundage and other aides for a morning meeting to discuss next year's legislative program. He also scheduled morning meetings with Secretary of Commerce Sinclair Weeks, Postmaster General Arthur S. Summerfield and Director Allen Dulles of the Central Intelligence Agency.

The President planned an afternoon conference with Secretary of State John Foster Dulles about the results of the NATO Council meeting in Paris.

Dulles and Secretary of Defense Charles E. Wilson were scheduled to arrive from Paris aboard separate planes early this afternoon. Dulles planned to go directly to the White House to report to the President.

Mr. Eisenhower spent much time Friday conferring with Undersecretary of State Herbert Hoover Jr. and other officials about plans for Nehru's visit.

Sen-elect John Sherman Cooper (R-Ky.), former U. S. ambassador to India, told Mr. Eisenhower the U. S. stand against Mideast aggression has opened the possibility of a "new era" in this country's relations with India and other Asian nations.

LONDON (AP) — Indian Prime Minister Jawaharlal Nehru said today he did not think there is any "serious danger" of Soviet interference in the Middle East.

Nehru arrived here today by air from New Delhi on his way for talks with President Eisenhower in Washington.

He ran into angry criticisms by

Britain's conservative press which also had some harsh words for the United States.

Asked about British fears of Soviet penetration in the Middle East, Nehru replied:

"I don't think there are any serious dangers of any kind if approaches are made peacefully rather than with war in our minds. Solution will be forthcoming."

Nehru said he would meet with Prime Minister Anthony Eden before he takes off for New York tonight.

Shawnee Hills County Unit Plans Membership Drive

The Shawnee Hills Recreation Area association last night developed plans to start a membership drive in the county and chose getting good roads into the Little Garden of the Gods and Old Stone Face as its county project. Both lie in this county.

The Shawnee Hills association is composed of six counties working to promote a tourist industry for the area, which would be a definite economic benefit to this region, and each county is now in the process of inaugurating membership drives and choosing special county projects.

The local group met in the city hall to formulate these plans prior to the association meeting set for Monday evening at Vienna.

Funds received from the membership drive will be used to build up a tourist industry program. Membership fee is \$1 for a regular membership and \$5 for a sustaining membership. They may be secured from Don Scott, secretary-treasurer, or local committee members.

The county group also is seeking suggestions for sites for picnic tables along the highway in this county and these suggestions may be made to Mr. Scott.

The Harrisburg members plan to invite the association to hold its January meeting in Harrisburg.

Mr. Schork and Mr. Cothran invite everyone to attend.

10 Jurors for Murder Trial

Ordered by Judge To Spend Week End At Rose Hotel

ELIZABETHTOWN, Ill. (AP) — Ten jurors for a murder trial began to sit out their weekend in Illinois' oldest hotel.

The trial of Mrs. June Davis and her 18-year-old daughter, Betty Ann, was adjourned by Judge B. W. Eovaldi until Monday.

The jurors, however, were sentenced to spend the weekend in the Rose Hotel, founded in 1812. Eovaldi also refused to allow them to attend church, see any movies or read the newspapers. One of the jurors, a mother of four children, won't be able to assist her husband in caring for them.

Lawyers have haggled for a week over the selection of a jury to try the Davises on charges of murdering Betty June Joiner, 19, Hartford, Conn.

Mrs. Davis and her daughter scuffled with Miss Joiner near Cave-in-Rock, Ill., where they caught her riding with Miss Davis' fiancée.

Miss Joiner collapsed and was run over by a passing car. The prosecution contends she was already fatally wounded when she fell, but the defense insists the car killed her.

Work Progressing On Installation Of Traffic Lights

The worst bottle-neck to traffic resulting from the construction work in installation of the new traffic lights at Main and Poplar streets will be eliminated by Monday.

Morris Skaggs of Skaggs Electric, contractor for the installation, said the sidewalk would be cleared at the Jackson Drug store corner Monday. Concrete was poured yesterday.

Concrete is scheduled to be poured on the Gregg & Barter corner Monday, and should be open to foot traffic by Wednesday. Street construction has been completed, and automobile traffic is not hindered.

Skaggs said it is unfortunate the construction is taking place during the Christmas rush, but failure of materials to arrive delayed the project, which was scheduled to have been completed early in November.

He said he could have delayed the entire project until after Christmas, but weather becomes progressively worse at about that time, and for that reason work was started as soon as materials began to arrive.

Boy Who Celebrated Early Christmas Dies of Cancer at Age 6

MENOMONEE FALLS, Wis. (AP) — A 6-year-old boy who celebrated Christmas nine days ago because his parents wanted him to have "just one more" died Friday in his home of cancer.

When Dale Nadwocicki's parents set the calendar ahead, well wished responded with the gift he wanted most—five baby pigs.

The boy has been seriously ill for some time and weighed only 30 pounds at the time of his "early Christmas."

Dr. John Dowerth of Menomonee Falls said the boy "went suddenly."

The story of Dale's fatal illness and his wish for a baby pig brought him presents and cards from many parts of the nation.

Egyptian Guerrilla Gangs Attack British and UN Troops; Two Killed

PORT SAID (AP) — Egyptian guerrilla gangs armed with rockets, hand grenades and machine guns attacked British and United Nations troops Friday night and early today in hit-run raids that killed at least two persons.

Egyptian gunmen fired on Norwegian and Swedish troops of the U. N. "police force." It was their first attack on the U. N. troops. A British announcement said the U. N. forces "returned the fire," but no casualties were reported on either side.

The Egyptian government disclaimed any responsibility for the mounting campaign of violence against withdrawing Anglo-French forces. A Cairo communique demanded that Port Said be handed

over to Egyptian authorities at once.

In one attack, four rockets were fired at the headquarters of the 6th British Tank Squadron. One British officer was wounded and some damage was inflicted on headquarters installations.

Two Egyptians were killed and 14 injured in other attacks.

One military official said the evacuation is running behind schedule because of French transport difficulties.

Danish Col. Carl Engholm, commander of all U. N. Emergency Force troops in Port Said, said the Anglo-French withdrawal is running far behind schedule.

Evacuation of the occupation troops originally was scheduled to

be completed today, but Engholm said "E-Day" can now be expected "sometime before Christmas."

Other sources predicted the evacuation will be completed sometime between Dec. 18 and Dec. 20, indicating the operation is running from three to five days behind schedule.

Engholm said he expected a detachment of Finnish troops to arrive in Port Said today to take its place beside Danes, Norwegians, Swedes and Colombians already stationed here. He said arrival of the Finnish detachment will boost the number of UNEF soldiers in Port Said to 1,800, and he expects arrival of another 200 Emergency Force troops by the time the Anglo-French evacuation

is completed.

100 Families in West Virginia Leave Homes

Forecast Freezing Rain, Sleet, More Snow in East Area

By United Press
A winter storm howled into the East accompanied by a 12-inch snowfall, stirring up what residents called some of the worst floods in history.

The Weather Bureau forecast a mixture of freezing rain, sleet and snow to blanket the already-deep snow, and said that morning rains might delay receding flood waters in West Virginia, Maryland and Pennsylvania.

More than 100 families in Spencer, W. Va. were hustled from their homes and at least one person drowned when floodwaters spilled over the countryside along a 100 mile front, which extended as far north as Pittsburgh.

By dawn, the storm had turned to sleet, then rain in parts of New England, as much of the recent snow started to wash away.

A sleet storm in Connecticut paralyzed electricity and thousands of families were stranded without heat or communications.

Traffic in snow-jammed upstate New York was snarled and a cold rain which fell late Friday night made driving extremely hazardous, indirectly causing six deaths.

Estimate 60 Hurt

Five Christmas shoppers were injured when struck by a car in New York City and two policemen were also run down while directing traffic. Police estimated that some 60 persons were injured in the traffic mishaps.

The snow ranged from three inches at Newburgh, about 40 miles north of New York, to 12 inches at Albany, N. Y., and in the Catskill Mountains.

Although it was warmer in the Great Lakes and Ohio Valley regions Friday, winter could be heard snorting in the distance as the leading edge of an arctic air mass nudged into the Northern Plains. The frosty air was detected by temperature drops of up to 30 degrees over a 24 hour period. Cutbank, Mont., reported a midnight reading of 6 degrees above zero.

Snow was forecast to fall over the Upper and Middle Mississippi Valley and over the Central Plains today. Freezing rain, sleet and snow were expected to make life miserable in parts of the Great Lakes area.

Rain continued along the West Coast today, and snow flurries swirled over the Rockies. The rest of the country was to benefit from mostly fair weather today.

A freezing drizzle belt soaked areas of Iowa, Missouri and Kansas Friday.

Muddy, Galatia, Dorrisville Win Midget Loop Tilts

Dorrisville, Galatia and Muddy won Midget conference basketball games Thursday and the results left Dorrisville and Galatia tied for top spot in the standings, each with a 7-1 record.

Galatia beat visiting Broughton 41-24, leading all the way. Galatia held a 9-2 quarter lead and extended the advantage to 19-4 at the half. After three quarters the winners were in front 31-10.

Dorrisville and Ridgway waged a tight first half then in the last two quarters Dorrisville began to pull away and gained a 39-25 victory. With the winners in front all the way, the quarter time scores read 9-6, 18-17 and 27-22.

Muddy led Raleigh all the way, except in the opening minutes of play, with Raleigh scoring the first basket, then Muddy tied the count and quickly went in front to stay and won 30-21. At the half the score read 11-4 for Muddy.

There will be no conference action until Thursday, Jan. 10, when the schedule reads Dorrisville vs. Broughton, Galatia vs. Muddy and Raleigh vs. Ridgway.

Youth Multiplies Father's Gift

MADISON, Wis. (AP)—A father's gift of \$5,000 has multiplied into \$30,000 during David Falk's four years at the University of Wisconsin.

When the 21-year-old youth came here from Hampton, Va., his father told him to finance his collegiate career with the \$5,000. Instead, Falk blew the entire sum as a deposit on a men's rooming house.

"I wanted to get married and this would give me a good source of income," Falk said Friday. He started with 24 boarders, two apartments and room for himself. He spent his extra income from the house, which he had repaired and remodeled, to purchase 47 acres of woodland near Madison.

He peddled two chunks of the land for "more than I paid for the whole 47," he said. After buying another rooming house, he swapped his first building for another, making a profit on the deal. Because he expects to graduate in either June or August, Falk plans to sell out his real estate. He estimated that he should pull in \$30,000 "conservatively" due to equity and price jumps because of repairs.

Falk and his wife, Arlene, plan to convert their profits into a farm in Virginia. However, he will probably spend two years in the Army after he graduates.

The Falks were married last January.

Congressmen Complain of Gov't Payroll

WASHINGTON (AP)—Congressmen are complaining that the administration's four-year old drive to trim the federal payroll is running backwards.

The government has added 50,000 employees to its payroll since last January.

But Democratic and GOP congressmen complained Friday to Assistant Budget Bureau Director Robert E. Merriam. He appeared before a House subcommittee studying the government's use of the manpower on its \$10 billion annual payroll.

Merriam testified that the number of civilian employees has dropped 240,000 since the Eisenhower administration took office and on Oct. 1 stood at 2,383,000.

LIMITED FUNDS FOR POLIO VACCINE PROGRAMS

According to a bulletin on polio vaccine released by the Bureau of Communicable Disease Control, Illinois Department of Public Health, there are only limited funds left for polio immunization programs. Funds appropriated by Congress and the state legislature have been spent or obligated at this time.

However, there is a limited fund made available from the U. S. Children's Bureau for the purchase of vaccine. This fund is now being used in the downstate area for group programs that have not had their fair quota of vaccine to date. Such group programs must be conducted only for individuals under 20 or pregnant women and must be given at no cost or nominal cost to persons vaccinated.

This policy will prevail unless more funds are made available to the department for the purchase of more vaccine. It is necessary that the Bureau of Communicable Disease Control be consulted before making any specific plans for a group program. Vaccine is available on the market for purchase by private physicians.

Freed of Murder Charge in Slaying Long-Time Friend

BARTOW, Fla. (AP)—A six-man jury took only one hour Friday night to free Robert E. Gilmore of second degree murder charges in the pistol slaying of a lodge brother he found in bed with his wife.

The thin-faced, 46-year old auto dealer took the stand Friday as the only defense witness and testified tearfully he killed Odell Elks, 42-year old Winter Haven Elks Lodge manager and long-time friend, in self defense on the night of May 30.

Gilmore claimed the stocky Poole came toward him like "a lion" when he returned home unexpectedly from an out-of-town trip and found Poole in bed with Mrs. Gilmore.

The defendant's 28-year old wife also was wounded in the fray but recovered. She did not testify.

Millionaire Geologist Kills Himself

DALLAS, Tex. (AP)—Everett Lee Degolyer, 70-year old millionaire geologist, committed suicide Friday apparently over ill health, according to authorities.

Degolyer was found slumped over his desk at his office. There was a bullet wound in his head and a .38 caliber pistol between his feet. Justice of the Peace Glenn Byrd ruled his death a suicide.

Degolyer, considered by many the foremost geologist in the petroleum industry, had been in ill health for some time and received daily blood transfusions to stay alive.

He also was chairman of the board of the Saturday Review of Literature, and a collector of rare books.

173 Adults Receive High School Diplomas In '56 by SIU Tests

CARBONDALE, Ill.—A total of 173 adults received high school diplomas this year by passing Tests of General Educational Development at Southern Illinois University, according to Dr. Jack W. Graham, coordinator of the SIU Testing Center.

Graham said the diplomas were issued by 39 high schools, mainly in southern Illinois. In all, 202 persons were tested.

The first GED testing program at SIU in 1957 will begin at 8 a. m., Jan. 4, at the Office of Student Affairs. A day and a half of testing is required.

Each person to be tested should bring a letter from his high school principal indicating that the school will grant a diploma if he successfully completes the tests, Graham said.

The University administrators GED tests the first Friday and Saturday of each month except September.

Eldorado Youth Enlists in Air Force

Glendon Watson, son of Mrs. Agnes Watson, Box 21, Eldorado, has enlisted in the U. S. Marine Corps, it has been announced by M/Sgt. Clement D. Schultz, non-commissioned officer in charge of southern Illinois recruiting.

Watson, who enlisted Dec. 12, will be given a 15-day leave upon completion of his basic training, in accordance with the new policy of the Marine Corps. All men enlisting after Dec. 1 will be given a 15-day leave instead of the normal 10-day leave given recruits in the past.

M/Sgt. Schultz also revealed that qualified young men can now enlist into the Marine Corps aviation program. For information concerning enlistments in the Marine Corps, contact the Marine recruiting station in the Wood building, Benton, phone 8-7121 or the employment office in Harrisburg at 1 p. m. each Friday.

Joey Giardello, Yama Bahama Win 10 Round Decisions

CLEVELAND (AP)—Joey Giardello of Philadelphia and Yama Bahama of Bimini Islands scored unanimous decisions but the real winner Friday night was the Cleveland Toyshop Fund.

The 9,061 fans who poured \$61,750 into the benefit coffers saw a dead-game and dead-tired Charley (King) Cotton of Toledo fail to push through his plans to "come strong" in the final four rounds, and lose unanimously to Giardello, whom he had beaten twice before and bowed to once.

Bahama was "disappointed" that he "couldn't get a fight out of Jimmy Martinez" of Glendale, Ariz., in the televised second main event, a bout which drew catcalls from the Arena crowd.

Announce Marriage of
Miss Lavada June Woodiel,
Charles A. Shackelford

Miss Lavada June Woodiel of 2527 Lincoln avenue, East St. Louis, daughter of Mr. and Mrs. Aaron Woodiel of RFD 1, Galatia, and Charles A. Shackelford, son of Mr. and Mrs. Bill Orr of RFD 3, Poplar Bluff, Mo., exchanged wedding vows Saturday, Dec. 8, at 8 p. m. at Union Chapel Cumberland Presbyterian church. Rev. Vola Sittig performed the double ring ceremony.

The bride approached the altar in a floor length wedding gown designed with tiers of lace over taffeta. The bodice was fashioned with short lace sleeves with a taffeta scoop collar, forming a bow in the back. She wore a single strand of pearls and a fingertip veil secured to a crown of sequin hearts. She carried a white orchid on a white ribbon.

Mrs. Harold Woodiel, cousin of the bride, East St. Louis, was matron of honor wearing a ballerina length gown of blue taffeta with an overskirt of nylon net. She

Local Woman Attend
24th District Meeting
Of I. F. Women's Clubs

The mid-winter meeting of the officers of the 24th district of the Illinois Federation of Women's Clubs was held at the Presbyterian church in Ridgway Dec. 13.

Attending from Harrisburg were Mrs. J. L. Miller, district president, Mrs. E. Bishop Hill, local president, Mrs. Hudson Mudge, Mrs. Clyde Pittman, Mrs. J. A. Musgrave, Mrs. Nelle Meyers and Mrs. William Farley.

The group was welcomed by Mrs. Howard Kirby, president of the Ridgway club, with the response by Mrs. Hack Wilson of Eldorado.

A lovely meditation was given by Mrs. Roy Seel of Ozark who took her subject from the 23rd Psalm. This was followed by the singing of "The Lord's Prayer" by Mrs. N. C. Morris of Eldorado, accompanied by Mrs. Mudge.

Other special music was an instrumental quartet composed of students from the Ridgway high school and Christmas hymns by a community group from Ridgway.

Mrs. Miller gave a report on the state board meeting held recently and stated that at her suggestion two workshops are promised to the Southern Region, one at Carbondale on Feb. 21 and one at Carbondale on Feb. 22 and one at Carbondale on Feb. 23.

County and local club presidents, then told of the achievements of their groups. Gifts were assembled for sending to the mental patients at the Anna state hospital. They were beautifully decorated cigar boxes filled with cosmetics, jewelry, for the women, and ties for the men.

The Ridgway club served coffee and cake from a table beautifully decorated in keeping with the Christmas season.

wore a white sequin hat and carried a bouquet of white carnations. Ronald Clark, cousin of the bride, East St. Louis, served as best man. Ushers were Paul Drott and Reginald Riegel.

Mrs. Mildred Riegel of Harrisburg was soloist, accompanied by Mrs. Josephine Holland, Harrisburg, at the organ.

For the reception which followed, the basement of the church was decorated with greenery, bells and ribbons at the windows and the table was decorated in keeping with the Christmas theme. Hostesses were Miss Faye Tate, Miss Sonja Winders, Miss Mary Alice Holland and Mrs. Oscar McClellan, Johnston City, Mrs. Vola Sittig and Mrs. Max Swan.

Following the reception the couple left for an undisclosed destination and will be at home after Dec. 16 at 2527 Lincoln avenue, East St. Louis. The bridegroom, who is with the U. S. Navy, will report for duty Dec. 23 and the bride will remain at the above address.

The bride is a graduate of the class of 1956 of the Galatia high school and is with Rawlings Manufacturing Co. in St. Louis, Mo. Mr. Shackelford, whose rank is BT3, is stationed aboard the USS Wisconsin in Norfolk, Va.

Busy Women's Bible Class Has Most Enjoyable Annual Christmas Social

The Busy Women's Bible class of the First Methodist church held its annual Christmas social at Wesley Center Tuesday, Dec. 11, at 7 p. m. There were 38 present.

The meeting was opened with the singing of "Silent Night" after which Mrs. Anna Williams led in prayer. A collection for Christmas baskets was taken and a committee appointed to arrange the baskets.

The president, Mrs. Margie Harding, gave a short and interesting talk on "Thy Kingdom Come," after which a beautiful devotion, "The Christmas Story," from St. Luke was given by Mrs. Orval Ferrell.

Little Marietta Allen of Carrier Mills was a guest of the class and gave some readings and vocal numbers which were greatly enjoyed by everyone. Mary Schwartz also gave an instrumental number.

After the exchange of gifts delicious refreshments of cocktail pudding with whipped cream and coffee were served by the social committee of which Mrs. Imogene Hunt was chairman.

Harrisburg Chapter, O.E.S. Installs New Officers

Mrs. Irene Shaw was installed as worthy matron of Harrisburg chapter No. 671 of the Order of the Eastern Star Thursday, Dec. 13, in an impressive ceremony conducted by Mrs. Elizabeth Davenport. Bill Brashears was installed as worthy patron.

Escorts for the installing officers were Richard C. Davenport, G. B. Wiley and Ray Johnson. Walter Unsell was color bearer. Ushers were Wendell Bramlet and Noble Shaw.

Mrs. Helen Hill and Mrs. Louise Walker were acolytes, lighting pink tapers at the head of the hall. The following members served as chairmen of committees: Alice Clark, register; Millicent Guard, guest book; Susanna Unsell, programs; Kuma Cox, programs; Cecil Dameron and Lorene Cozart, reception.

Other officers installed for 1957 were: Anne Wiley, associate matron; Elbert Norris, associate patron; Mable Plumlee, secretary; Mary Richardson, treasurer; Lenora Brashears, conductress; Edith McCormack, associate conductress; Lorene Kerr, chaplain; Gladys Ewell, marshal; Maude Stricklin, organist;

Rolene Fulkerson, Adah; Bernice Norris, Ruth; Virginia Taylor, Esther; Norma Barter, Martha; Elaine Woolard, Electa; Hazel Potter, warder; Douglas Ewell, sentinel; Elmer McCormack, color bearer; Mary Catherine Woolard, soloist; Mamie Bramlet, instructress.

Mrs. Davenport, past Grand matron of the Order of the Eastern Star of Illinois, was installing officer; Mamie Bramlet, past matron of Harrisburg chapter, served as chaplain; Madge Johnson, past matron, marshal; Sybil Whitley, also past matron, organist; Mrs. Becky Barnhill was soloist and Mrs. Laura Slack, accompanist. E. Bishop Hill, past patron of Harrisburg chapter, was master of ceremonies.

Mrs. Barnhill sang "My Task" to the new worthy matron and to Mr. Brashears she sang "Hold Thou My Hand." Mrs. Shaw was presented with a lovely colonial bouquet by her husband, Noble Shaw.

Walter Unsell sang a special song, "We're Here Because We Love You," to the retiring worthy matron and worthy patron, Nelia and William Douglas. The past matron's jewel was presented to Mrs. Douglas by her daughter, Norma Barter, and E. Bishop Hill presented Mrs. Douglas with the past patron's pin.

"May the Good Lord Bless and Keep You" was sung by Mrs. Barnhill for the benediction.

Following the installation refreshments of coffee and dainty cookies were served from a lovely table centered with an arrangement of pink chrysanthemums.

Members and Wives of Metropolitan Life Insurance Co. Enjoy Christmas Party

Mr. and Mrs. D. H. Hiller were hosts to the Harrisburg staff of the Metropolitan Life Insurance company, their wives and Miss Laura Raley, cashier, Thursday night at their annual Christmas dinner party at the Country Kitchen in Marion.

As always at the Christmas season the dining room was beautifully decorated. On the mantel was a farm scene, complete with house, barn, and other buildings, all made from cube sugar, colored candies and cake icing. To complete the scene were two sugar plum trees. At the other end of the room was a large Christmas tree with its vari-colored lights. The table decorations were Christmas candles, Christmas balls and greenery.

Christmas gift packages at each place were used as place cards, and the gifts were opened before the meal was served. The staff also presented Mr. and Mrs. Hiller each with a beautiful gift.

Those present were Mr. and Mrs. William Zimmer, Mr. and Mrs. Charles Milley and Mr. and Mrs. Fred Wunderlich of Harrisburg, Mr. and Mrs. Cecil Towle, Mr. and Mrs. Hubert Dillard of Eldorado, Mr. and Mrs. Edgar Dickey of Carmi, Mr. and Mrs. Guy C. Hill of Shawneetown, Mr. and Mrs. John Noonan of Carrier Mills, Miss Raley and the host and hostess, Mr. and Mrs. Hiller.

A. M. Hetherington, local postmaster, who has been ill since Dec. 3, is improving and hopes to return to the post office soon to help with the Christmas rush.

Amateur Artists Eligible for Art Show

Amateur Illinois artists living in the country or in towns of less than 10,000 population are eligible for the University of Illinois College of Agriculture Town and Country Art Show.

The show is January 27-31 and is held in connection with Farm and Home Week, says D. A. Brown, University of Illinois agricultural librarian and chairman of the show.

This is the second art exhibition sponsored by the University of Illinois College of Agriculture. Entries must be recent original work and they can be in oil, water color, pencil, charcoal, pastels, ink or any other medium on paper, canvas or other flat surface. Or they may be ceramic pieces, metal enameling or wood carvings.

No kits, or numbered pictures, are eligible. The pieces must also be new to this competition; they can not have been entered in last year's show.

Anyone may submit up to three entries, and the committee selects the final exhibits for the show.

For each piece of work submitted, a complete application form must be filled out. These forms may be obtained from the county farm or home adviser or the Town and Country Art Show, 226 Mumfords Hall, University of Illinois, Urbana, Illinois.

Don't Guess About Poultry Diseases

URBANA—Unless you're asking for trouble, don't just "guess" that your chickens have Newcastle disease or infectious bronchitis.

Earl Ose of the University of Illinois College of Veterinary Medicine says that if you suspect that your chickens have Newcastle, infectious bronchitis, or chronic respiratory disease, you should have a laboratory diagnosis made.

Ose explains that it's impossible to positively diagnose these diseases without laboratory testing. Birds with any of these diseases may show similar symptoms, and birds that have been vaccinated against them may show "false" positive tests.

Since viruses can't be seen under an ordinary microscope, they must be recognized by what they do. That's where the diagnostic laboratory at the College of Veterinary Medicine comes in.

Ose, who has been doing diagnostic work in poultry virus diseases, says that viruses are recognized in the laboratory by changes they cause in chicken embryos. Small amounts of ground-up lung tissue from infected birds are inoculated into living fertile eggs. Viruses also cause antibodies to be produced in the blood of infected birds.

If a poultry raiser wants to submit birds for diagnosis, he should bring or send live, typically affected birds. Attempts to isolate virus from dead birds are usually unsuccessful. Ose adds that it helps if the owner sends vaccination and case history with the birds.

University Trust Farms Make Record Corn Yield

URBANA—A record average corn yield of 93.2 bushels per acre was established on 892 acres of Allerton trust land owned by the University of Illinois. The previous high was 77.5 bushels in 1953, reports J. B. Cunningham, farm manager for the University.

This corn was produced on eight farms given to the University in 1946. Each farm is leased as a separate unit to a private operator. All farms are in Piatt county, near Monticello.

In announcing the 1956 yield, Cunningham praised the efforts of the operators on the Allerton farms. The weather was favorable, but weather alone did not produce this record crop, he reported. The operators of these farms did their share.

Highest average yield on any single farm was 107 bushels an acre on 126 acres. Lowest was 85.5 bushels on 89 acres.

The top farm followed a heavy fertilization program, with nitrogen, phosphate and potash plowed under. But fertilizer alone wasn't responsible for the high yield. In addition, the corn was checked and cultivated both ways. The stand averaged about three stalks to a hill, or 12,000 plants an acre.

An even higher yield would have been obtained on some farms if corn left in the field could have been included. Cunningham estimates that from 2 to 10 bushels were left in the field—or about 7 to 8 percent of the yield, on the average.

All income received by the University from the Allerton farms must be used for keeping up the 1,500 acres of woodland and formal gardens. Not more than 15 percent can be used for upkeep of the mansion. This arrangement was agreed upon when the farms were given to the University by Robert Allerton.

SIU Country Column

By Albert Meyer

Good farm management practices will pay on southern Illinois farms just as good management is a pay proposition in practically every line of work. Dr. W. E. Keeper, dean of the Southern Illinois University School of Agriculture, who is on leave for a six-months agricultural assignment in Venezuela, has pointed out that the fundamental objective of farm management is to operate a financially successful farm business. Keeper's field of specialization is farm management.

A financially successful farm business is one that makes enough money to meet five charges against it. These are:

1. Cash operating expenses for feed, seed, taxes, wages, fuel, insurance, cash repairs and similar items.
2. The going wages for family labor other than the operator, charged either directly or indirectly.
3. Returns to the operator equal to at least as much as he would get if hired to do a similar job.
4. The going rate of interest on all funds invested, both borrowed and owned.
5. Sufficient surplus after meeting the above charges to permit building the investment back to its original value.

Planning before beginning an operation is an important part of farm management. The farmer must decide what kind of enterprises are the best paying for the area and for the farm which he is using. This involves using land for producing those crops which are physically and economically adapted. Crops which are used for feed must be "processed" through the kind of livestock which will pay best.

Through planning, the farmer is able to combine the enterprises he chooses so as to use the kind and amount of available labor and capital in the most productive manner possible. This means planning enterprises that will keep the farmer efficiently busy at productive work throughout the year. "Efficiency" is the key word here because there are plenty of examples of persons who work hard and long without making money.

Farm management also should be designed to keep the farming equipment, buildings, livestock and land in productive use as much of the time as possible. In this machine age a small farm operator can easily get too much capital invested in expensive farming equipment which remains idle most of the year, depreciating all the time and tying up funds that could be more usefully invested in other enterprises for making money out of the farm. Planning the farm building layout so as to save time, space and effort is an important part of farm management.

The aim should be to operate a farm business that has sufficient volume to permit productive use of labor and physical equipment efficiently, better marketing practices, more effective purchasing of production supplies and division of fixed costs among more units of the farm production. There are several ways of increasing the volume of a farm business so as to get more efficiency.

The rates of crop yields and livestock production may be raised by improving the soil and cropping practices, by using better quality animals and giving them better care.

The farmer may change from extensive crops and livestock programs to those which are more intensive, using more labor and capital.

He may acquire the use of more land to more efficiently use his labor and equipment.

He may market some farm products directly to the consumer so as to get a greater share of the dollar spent for food by the consumer.

He may take off-the-farm jobs, such as custom work or part-time work, to supplement his farm income and use surplus labor not productively used on the farm.

Illinois 4-H'ers Visit Chicago

Three Illinois 4-H Club members wound up a busy year by taking a trip to Chicago as delegates to the 1956 National 4-H Club Congress, Nov. 25-29. Superior results in 4-H Safety, Entomology, and Poultry programs, resulted in their being selected for this distinction.

Safety first, last and always is the motto of Patricia Armstrong, 18, of Carmi. By participating in the national 4-H Safety program, this 18 year old girl has made her farm, community, and the nation a safer place in which to work and play. Patricia's trip award is made possible by General Motors.

She checked the wiring on all her home and farm buildings, thus making her family conscious of fire hazards. She won the county award for fire safety.

During the construction of her new home, she picked up loose wires, broken glass, nails and other hazardous materials. She is attending the University of Illinois on a home economics scholarship.

James Fry, 17, of Clinton not only finds the study of insects fascinating but realizes the vital role they play in the health, wealth, and happiness of man. His outstanding record in 4-H Entomology was judged best in the state, and for this the Hercules Powder Co. paid trip expenses.

Jim received A ratings on his collection and control exhibit in the county, and this year received the grand champion exhibit award.

He has 1,580 mounted and 201 immature specimens, and 305 insects preserved in alcohol.

He organized his local 4-H Club and served as president.

In a manner of speaking, Jack Young's hen laid the golden egg that turned into a week's expense-paid trip to the Club Congress. Living on a farm near Elgin this 19 year old chucked up a remarkable record in the 4-H Poultry program. Sears-Roebuck Foundation was donor of his award trip.

Now in his seventh year of Club work, Jack began his poultry record book with, "Chickens, eh? I hated those things". This was the first impression he had when the family moved onto a farm having a 2,500 bird chicken house.

Soon after Jack attended a Kansas City fact-finding congress on poultry and learned of new opportunities in the industry. He now sells 1,000 chickens daily.

In learning to be a better poultryman, he served on two judging teams and later was picked superintendent of a 4-H Club poultry show.

All these programs are conducted under the direction of the Cooperative Extension Service.

Illinois Cotton Crop to Total Nearly Half Million

By WARREN STROTHER
United Press Staff Correspondent
Illinois isn't exactly a cotton state, but Illinois cotton growers received nearly half a million dollars for their 1956 crop.

The State-Federal Crop Reporting Service hasn't released its final figures on Illinois cotton, but the yield is expected to be nearly 500 pounds of lint cotton per acre, from about 3,000 acres.

The 1956 market price was about 35 cents a pound for utility grade cotton from Illinois.

Most of Illinois' cotton production comes from fewer than 1,000 farms in the southern tip of the state, in Alexander and Pulaski counties. At last count there were 949 farms listed as cotton producers in the two counties.

A few others are further north, scattered about such counties as Williamson, Massac and Jefferson. But there are only three cotton gins in Illinois for the processing and baling of cotton lint. Two are located near Cairo, and

another near Olive Branch, in the heart of Illinois' "cotton country," about as far south as Illinois farming can go.

Illinois cotton is shipped to Memphis for movement with Cotton Belt cotton to national and world markets.

The house slipper called "mule" is from the Latin mullus, which meant a reddish or purple-colored shoe.

ONE OF THE FAITHFUL?

Sunday School Lesson

'The Way of Christian Love'

SUN SCH LESSON — Ray
1 Corinthians 12:27-13:13
GOLDEN TEXT: "Now abideth faith, hope, charity, these three; but the greatest of these is charity." (1 Cor. 13:13)

INTRODUCTION — A very wise man once said: "All loves should be simply stepping-stones to the love of God." This is true. Love of parents for children, or children for parents, should deepen their love for God. After all, God gave them each to the other. Love of husband for wife and wife for husband should lead to deeper love for God.

Have you ever stopped to think just how necessary love is in this world today? The infant and small child must have an abundance of love if they are to develop normally. The adult must have love to be a well-rounded personality. A few years ago "Nature Boy" wrote a song in which he said: "The greatest thing in this world is to love and be loved in return." There is a world of truth in that statement.

The verses of today's scripture are taken from the "love chapter" of the Bible.

I WHAT GOD GAVE HIS CHURCH (12:27-31)

Every human being is different. Every person has different needs. God knew this, because He had created us. Therefore, to meet all needs, He called some folks to be apostles, some prophets and some teachers. He gave some power to perform miracles, while others He gave gifts of healing. Not all of God's special servants are called for the same purpose. Some He gave gifts of administration. Every Christian has some talents that God expects to be used to glorify Himself.

None of these is the greatest of all gifts.

II GOD'S GREATEST GIFT (13:1-13)

Wherever you find trouble, you will find a lack of love. If there is enough love, there will be no problems in any organization, institution, government, home, or church. The greatest of all gifts is love!

1. "FOLLOW AFTER LOVE" (V.1) Some of the people were seeking after knowledge and the gift of tongues. Paul here says that the one who speaks in tongues, speaks not to man, but unto God.

He goes further and says that there was always an interpreter present who could interpret what the person was saying when he spoke in tongues. (A lady once wanted to join our church family. She asked if I believed in speaking in tongues. I told her, "yes as long as there is someone present who can interpret the tongue (or language) to the audience. We often have a person who speaks a foreign language come and speak through an interpreter to our people. This was what happened on the Day of Pentecost." That lady never did speak in any foreign tongue as long as she was with us.)

Paul is saying that even our tongues are to be used in a love-able way.

2. LOVE EDIFIETH THE CHURCH (V. 4-7) Love "suffers long." Love will cause the Christian to give the "fallen person" a lift. A real Christian will never kick a person who is down. A real Christian knows that he, too, might easily become the "fallen one," except he follow God's leadership constantly.

Love never lets go. We all know of mothers who love long after all others have ceased to love. Christians should have exactly the same attitude.

3. LASTING LOVE (V. 8-13) "Love never fails." All other things Paul mentioned do fail. Prophecies, tongues and knowledge all fail and vanish away. Love never fails!

Many things we do not understand. "Now we see through a glass darkly, but then face to face." Yes, that is true. One day we will understand why all things have happened in our lives.

CONCLUSION — Without love this would be a desolate world in which to live. Without love any person would be miserable. Our very loves depend upon love. The best way to be loved is to be loving. If you want others to love you, you must love others. Christ loves you, and gave himself for you. With him in your heart, you cannot help but love and be loved. Try Him!

Gov't to Attach Trust Fund for Louis' Children

CHICAGO (AP) — The attorney for Joe Louis, former world heavyweight boxing champ, said the U. S. Tax Court, in Washington, has approved federal seizure of a \$65,000 trust fund set up for Louis' two children.

The lawyer, Aaron Payne, said Friday the decision probably would be released Monday. He said he was planning an appeal.

The government plans to attach the fund set up for Joe Jr. and Jacqueline as part payment on the ex-fighter's back income tax estimated at more than one million dollars.

Payne said Louis had paid \$124,000 on the back tax this year while working as a professional wrestler. He was forced, however, to quit because of a reported heart condition, before he could make much of a dent in the amount he owes the government.

The government charged that Louis set up the fund after he knew he had become insolvent

U. S. to Challenge Australians For Davis Cup

PERTH, Australia (AP) — The United States earned the right to challenge Australia for the Davis Cup today when its new doubles team of Vic Seixas and Sam Giammalva defeated Ramanathan Krishnan and Nares Kumar of India, 6-2, 3-6, 6-4, 6-4 to clinch the interzone final.

The Yanks' victory gave them an unsurmountable 3-0 lead in the best-of-five series and set up the 13th straight meeting between the U. S. and Australia in the challenge round matches starting Dec. 26 at Adelaide, Australia.

and was going to be billed for back taxes.

The children are from Louis' first marriage to the present Mrs. Marva Trotter Louis Spaulding. The former title holder, from 1937 to 1949, earned an estimated \$4½ million dollars but there was never an accurate accounting of what happened to the money.

Several private citizens have offered to raise funds to help the famous "Brown Bomber" pay off his debts but Louis, at one time, made the statement, "This is my debt and I feel that I ought to pay it."

Herrin Tramples Bull Dogs, 89 to 34

Tidwell Paces Tigers to 6th Win; Locals Play At Johnston City Tonight

The Harrisburg Bull Dogs, trampled at Herrin last night, 89 to 34, move to Johnston City tonight to meet a team which, like Harrisburg, has had its ups and downs, mostly downs.

Herrin, in winning last night's South Seven game, got some phenomenal shooting from 6-4 John Tidwell the first half to send the Tigers on their way to their sixth straight win without a loss. Herrin currently is ranked the No. 11 team in the state and the performance of Coach Clyde Lee's boys showed they deserve the ranking.

The fact that the winners made two out of every four shots from the field, compared with Harrisburg's one out of four, with Herrin getting 15 more shots at the basket, is enough to tell the story.

Zeigler Scores 14 Points

Harrisburg had to hurry its shots, the boys looking good out on the floor until it came time to take a shot. The locals, too, were not in the same rebounding league with the Herrin outfit.

Big boys on the Herrin team are Tidwell and Ivan Jefferson, both 6-4 and good players. First half saw Tidwell make eight field goals and four free throws for 20 points. His fourth foul early in the third quarter sent him to the bench and he didn't appear again until the latter stages and wound up with 24 points.

John Zeigler, who made the first eight Bull Dog points, wound up with 14 for local scoring honors. Bill Henshaw did not play because of a bad ankle.

The statistics showed that Herrin made 33 out of 66 from the field for a .500 shooting average. Harrisburg made 13 out of 51 for .255.

Bull Pups Lose

Herrin ran up a 21-6 lead the first quarter and 42-10 at the half as Tidwell made 20 points with his fine jump shot. The lead was 61-22 at the end of the third period.

In the preliminary the Bull Pups played a good ball game against the undefeated Herrin freshman-sophomore team before losing, 56-47. Herrin led 18-13 at the quarter, 32-26 at the half and 43-35 at the end of the third period. For Harrisburg Ron Maynard was high with 23 points. Pickford had 5, Kane 7, Pavelonis 2, Wasson 6, Stone 4 and Stricklin 0.

At Johnston City tonight the locals will be meeting a team that has been beaten by three teams—all still undefeated—who also have won over Harrisburg. They are Herrin, Carrier Mills and Marion.

Pinckneyville Defeats West Frankfort, 64-54; Fourth Straight for Panthers

By United Press

They couldn't do it all last season, but Pinckneyville's top-ranked Panthers knocked West Frankfort's Redbirds from their perch in Illinois basketball Friday night by a convincing 64-54 count.

Collinsville, Elgin, Rock Island, Alton, Rock Island, Galesburg, Chicago Heights Bloom, defending state champion Rockford West, Herrin, Springfield Lanphier and Carbondale Attucks also scored wins in games involving top teams.

Pinckneyville's victory was sweet revenge over the club that knocked them out of last season's state tournament. The triumph was the Panthers' fourth straight.

Rockford West's Warriors continued to surprise the experts who figured they didn't have much this season by dumping crosstown rival East, by a thumping 55-38. It was West's fifth straight win.

Collinsville, ranked second in the state, notched its third straight victory, over Granite City 72-54.

Alton and Rock Island set the stage for a terrific head-on collision next week by each winning their sixth in a row. Alton

Rosiclare, Ridgway Win Conference Tilts from Galatia and Equality

League leading Rosiclare and runnerup Ridgway won Greater Egyptian conference games Friday night and another GEC member, Shawneetown, went outside the league to gain a victory.

Rosiclare won at Galatia, 85-69; Ridgway invaded Equality and took a 70-42 decision and Shawneetown went to Crossville to grab a 76-64 victory.

The balanced Rosiclare attack was too much for Galatia, the winners taking a first quarter lead of 19-12 and holding the advantage at the end of each period of play. At halftime Galatia trailed 36-26 and after three quarters Rosiclare was in front 54-41.

The two teams really opened up in the final frame, scoring a total of 59 markers, Rosiclare getting 31 of them.

Nelson paced the winners with 18 and Conger and D. Seay were close back with 16 each.

McFarland of Galatia was the game's top point producer with 27. Suttner Scores 28 Points

Ridgway, playing what Coach Bob Dallas described as "our best defensive game of the season," rolled to a comparatively easy 70-42 victory at Equality. The tight Ridgway defense held Equality to a total of 16 points in the middle two frames, 9 in the second and just 7 in the third quarter.

Suttner, Ridgway 6-8 center, controlled the rebounds and blocked 17 attempted shots and also pitched in with 28 points for individual honors. Three other players, Lawler, Clifford and Ballard scored in double figures and Ambrous, failing to score, proved his worth with a fine defensive effort.

Glover, Equality's little outside shot, swished the nets for 18 points and his eight field goals were just

half the team's total output.

Shawneetown, led by freshman James Cox with 24 points, defeated Crossville 76-64. After trailing 18-16 at the quarter, Shawneetown came to life and at halftime was in front 35-27. The winning Indians continued to hold the scoring advantage the remainder of the game.

Player Fatally Injured
Townsend and Kuykendall tied for Crossville scoring honors with 15 points each.

The game was strangely quiet with the Crossville players and fans saddened by the death of one of the players prior to game time.

David Pogue, Crossville team member, was fatally injured in a truck accident on his way to the gymnasium, but the game was played as scheduled.

Four of the GEC teams—Equality, Ridgway, Shawneetown and Cave-in-Rock—will participate in a blind draw tourney at Equality Monday and Tuesday.

Group Cage Teams Organized at HTHS

The Key club, H-Y, H-club, and F.F.A. at the Harrisburg Township high school are organizing club basketball teams.

Bryan Jones, Key club vice-president and former varsity basketball player is organizing and will coach the Key club team. George Wright is chairman of a committee organizing a H-Y team. Bill Fox, chairman of the F.F.A. entertainment committee will coach the F.F.A. squad. Bud Logan, chairman of H-club, will coach the H-club team.

Club sponsors hope to arrange a schedule of evening games.

Carrier Mills Impressive in 65-41 Victory

Wildcats Show Well Balanced Scoring Over Norris City

Carrier Mills rolled to a decisive 65-41 victory over Norris City Friday night to extend their unbeaten string to seven. The game was played at Norris City.

Last night's game was looked on by many as one of the toughest on the CM schedule as Norris City is a veteran outfit and had an impressive record, with three victories in four starts. The only blemish before last night was a one-point defeat at the hands of highly regarded McLeansboro and one of the wins was from a good Carmi outfit.

But the home town team was no match for the powerful Wildcats, who combined well balanced scoring with strong rebounding and tight defense.

In the early stages of the game Carrier Mills had trouble hitting the basket as they worked in close time after time, only to miss lay up shots. But outstanding defensive play kept Norris City from getting an offense going and the quarter closed with the 'Cats on top 11-3.

More than half of the 'Cats' first quarter scoring came on three goals from 25 feet out by Jimmy Rouse, who played the finest game of his high school career.

But no one player can be singled out. It was a team victory all the way and the first five players all broke into double figures, with Rollins' 16 topping the roll. Then came Rouse with 14, Cowfield had 13 and Fitts and Cogfield 10 each.

And the Carrier Mills "bench" had a chance to prove itself with 3:45 remaining in the second quarter Rollins fell hard and had to be helped from the floor, hobbling badly on an injured left ankle.

But Williams entered the game and the 'Cats continued to dominate play. Rollins reentered the game at the beginning of the second half and played the remainder of the time.

Late in the game Fitts and Cogfield were whistled out via the foul route and Williams and Smith, a freshman, filled in capably.

Carrier Mills goes after victory number eight this evening, hosting neighboring Galatia.
